

BRIEF SUMMARY

Detail-oriented M.Tech student with technical proficiency in Java, Python, SQL, and image processing using OpenCV. Having completed my MCA and BCA, I have strong analytical skills and accuracy in data analysis and computer operations. Passionate about contributing to machine learning data operations, supporting image and video data auditing, and AI automation systems.

TECHNICAL SKILLS

Programming: Java (Basic)
Tools: MS Excel, OpenCV
Data Skills: Image processing, Image Analysis, Video Analysis, Data Annotation
Core Skills: Attention to Detail, Data Verification, Computer Operations

EDUCATION

Vignan's Foundation for Science, Technology & Research (Deemed to be University), 2026 - 2028
Guntur M.Tech | Pursuing 1st year

Vignan's Foundation for Science, Technology & Research (Deemed to be University), 2024 - 2026

PROJECTS

IMAGE SEGMENTATION USING MACHINE LEARNING 1st Year | 2nd Semester

Technologies: Python, OpenCV

- Performed image preprocessing techniques to improve data quality and model performance.
- Worked with labelled image datasets for segmentation and analysis.
- Assisted in testing the model and documenting observations and results.
- Gained hands-on experience in image analysis, data handling, and machine learning workflow.

INTERNSHIP & COURSEWORK

AICTE- EDUSKILLS VIRTUAL INTERNSHIP | Education

CYBERSECURITY

01Sept, 2023 - 10 Nov, 2023

Key Skills: Cyber Security

Gained practical knowledge in Palo Alto cybersecurity modules, covering network security, threat detection, cloud security, and security management

Coursework in the academic year 2022-23

Microsoft Essentials of Java Exam coursework

Key Skills: Java

20 Jul, 2023

Learned core Object-Oriented Programming (OOP) concepts and problem-solving techniques using Java.

Coursework in the academic year 2022-23

Microsoft Essentials of Excel coursework

Key Skills: Microsoft Excel

20 Sept, 2023

- Learned spreadsheet management, data entry, formulas, and chart creation using Microsoft Excel.
- Developed skills in organising and analysing data efficiently.
